Create Line Business Account

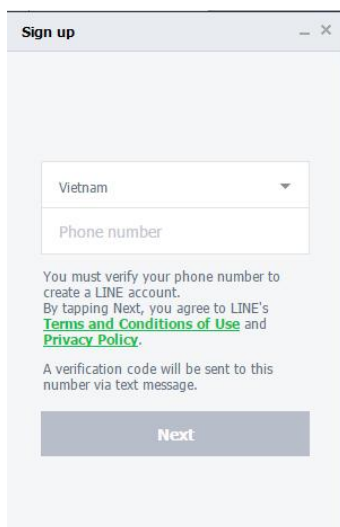

1. Create personal line account.

1.1 Register a new account

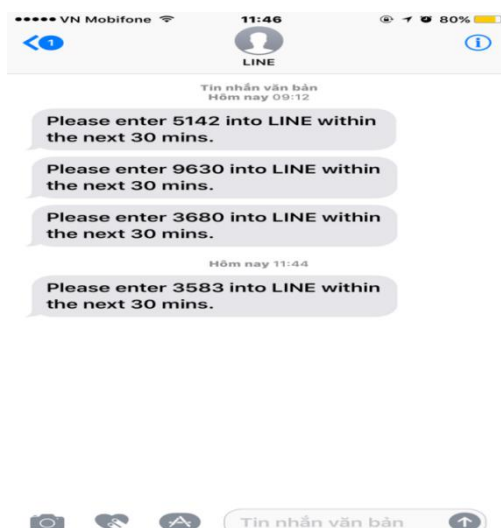

Note: You have to have martphone has been installed LINE on android or IOS to verify code.

1.2 Sign up for new account

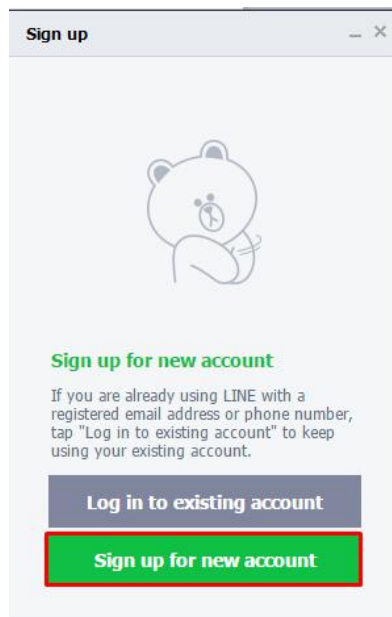

Note :if you already have an account please login into it

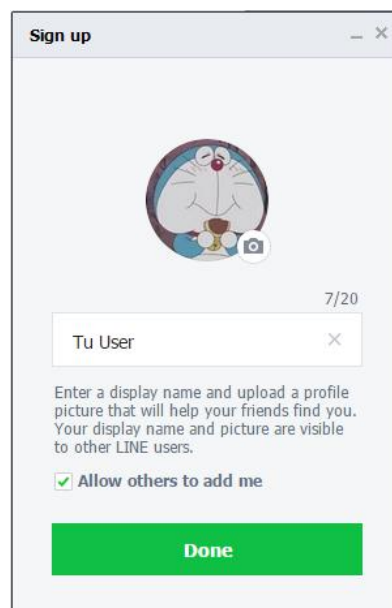

1.2.1 Next verify on your smartphone by sms.

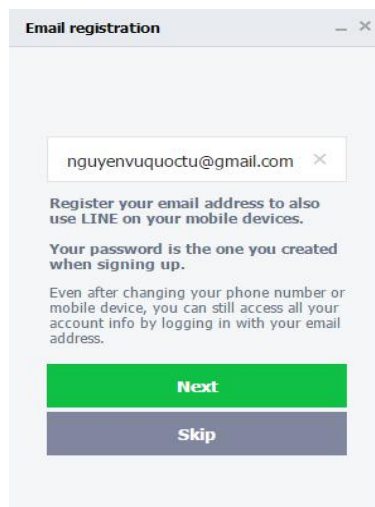

1.2.2 Sign up for new account

Enter your password, Display name, choose image for you avatar => click done

Note: You have to input email when register a new which uses to create a line business account, please do not click skip in this step.

Email registration

nguyenvuquctu@gmail.com

Register your email address to also use LINE on your mobile devices.

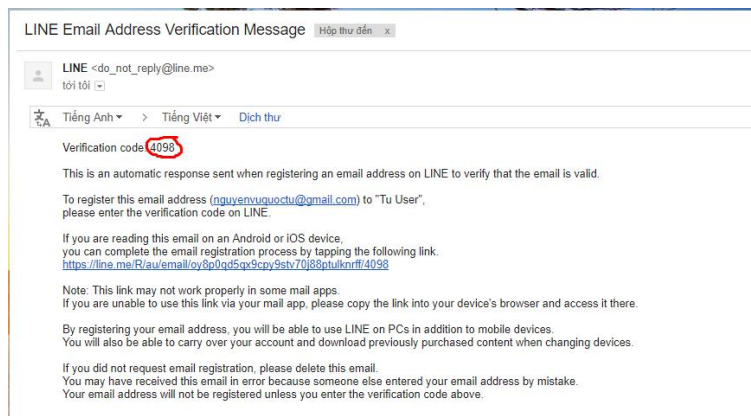

Your password is the one you created when signing up.

Even after changing your phone number or mobile device, you can still access all your account info by logging in with your email address.

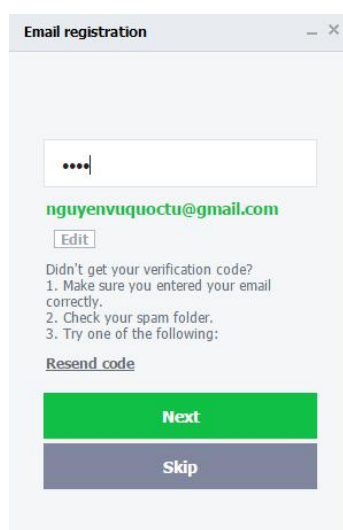

Next

Skip

After click next ,you need to go to your mail and get the verify code ,see the picture below

Copy and paste the code

Email registration

....

nguyenvuquctu@gmail.com

Edit

Didn't get your verification code?

1. Make sure you entered your email correctly.
2. Check your spam folder.
3. Try one of the following:

[Resend code](#)

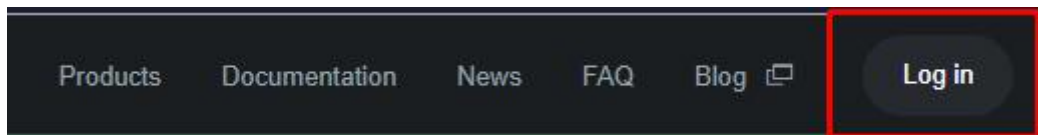

Next

Skip

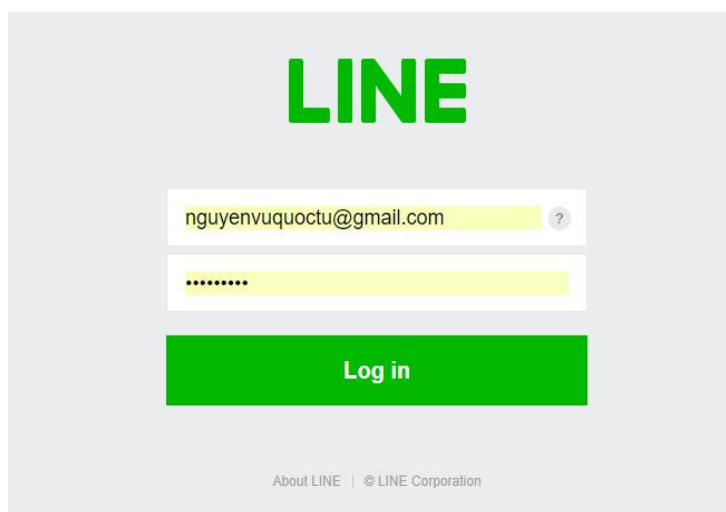

2. Create business line account under personal line account

2.1: Go to <https://developers.line.me/en/>

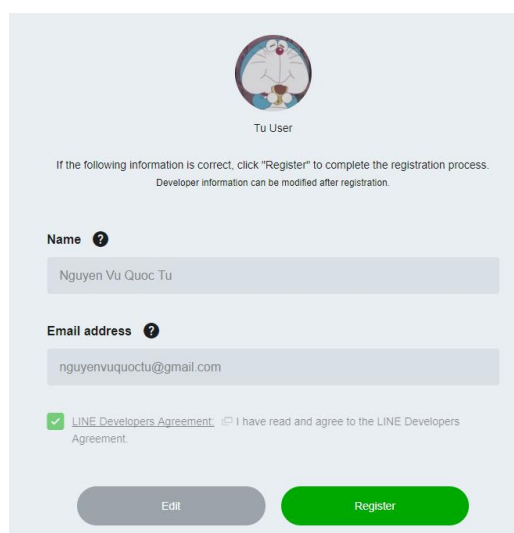

*Note: Use email and password of personal line account

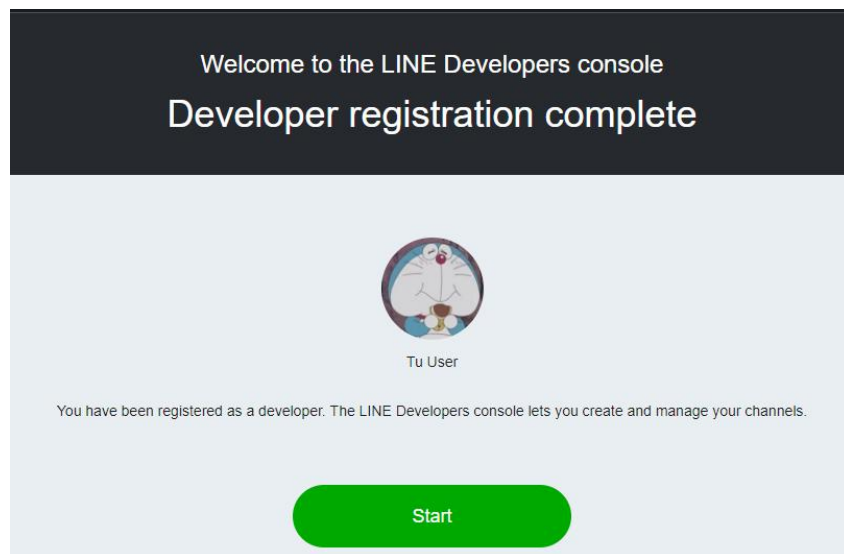

2.1.1 Login with your line account that you have registered above.

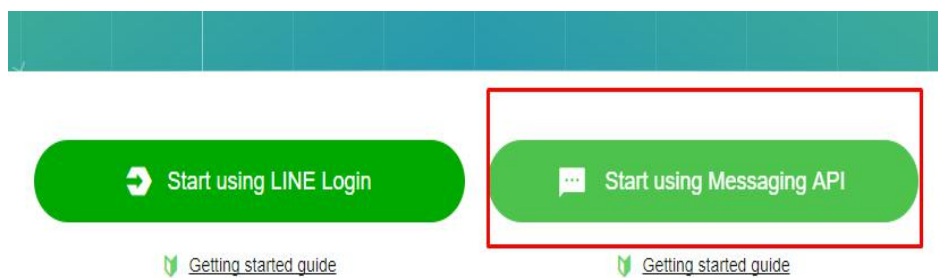

2.1.2 Register Developer Line, Fill your information then click “confirm” and “Register”

The registration form has a light blue background. At the top is a circular profile picture placeholder with the text 'Tu User' below it. A message states: 'If the following information is correct, click "Register" to complete the registration process. Developer information can be modified after registration.' There are two input fields: 'Name' (containing 'Nguyen Vu Quoc Tu') and 'Email address' (containing 'nguyenvuquoctu@gmail.com'). Below these is a checked checkbox for 'LINE Developers Agreement' with the text 'I have read and agree to the LINE Developers Agreement.' At the bottom are two buttons: a grey 'Edit' button and a green 'Register' button.

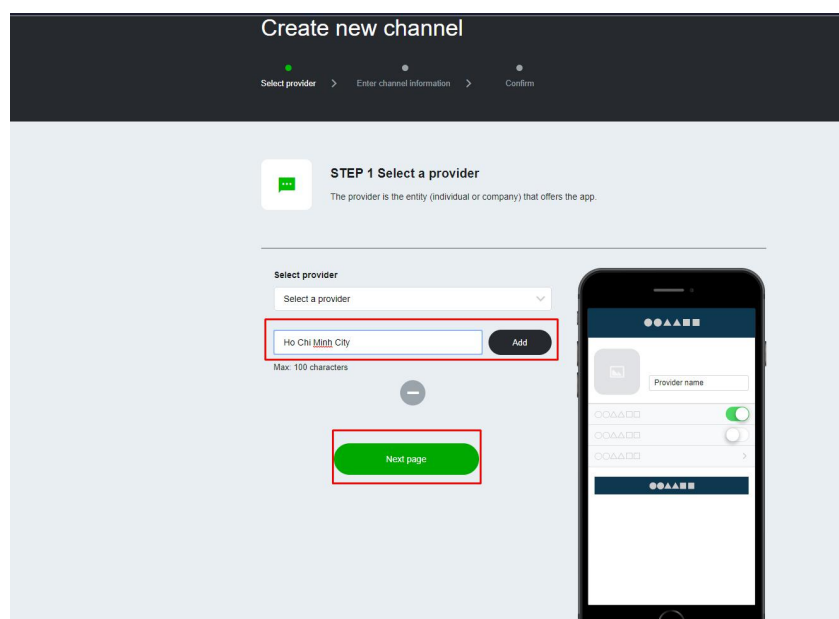

Finish
